I would just like it to be know that I am totally against this proposed rule. Having lost my husband to lung cancer, from asbestos at the GM plant where he worked. And I dare the courts to attempt to rob others of their right to trial by jury where the people who have been affected by the illness and even death that this product has caused.

The real crisis in Michigan is the failure of corporations to take responsibility for their bad actions and the willingness of big business and certain conservative republican judges to blame the victims of corporate misconduct instead of holding the corporations accountable.

Please don't allow them to get away with murder!
